

# Other Lightoller(s) & Lightowlers(s)

Our search for information relating to Robert Lightallers (married Jane Mason in Carlisle, Cumberland 1803) continues. My discovery of the burial record of Robert Lightollows (Lighttallars ?) at Stoke Damerel in 1807 provided an estimate of his birth year in 1780. For more background read [‘Robert Lighttallars – possible burial 1807’](#).

In January 2015 Linda Lytollis forwarded my summary to Dave Bland (a Lightoller/Lightowler researcher) who was kind enough to recommend a starting point for further research into Robert’s roots.

He suggested that ‘given names’ Robert, Thomas & Timothy tended to crop up more within the Lancastrian families. To search for Robert, we should look at the offspring of Thomas Lightollers (b.1666) & John Lightollers (b.1677) – these were both sons of Timothy Lightollers (1623-1701) of Brindle, Lancashire.

The results are shown below but Robert (1780-1807) is not among them. Most of this info was sourced from the [Familysearch.org](http://Familysearch.org) and [Stagebarn.com](http://Stagebarn.com) web sites.
